

INTERNSHIP AT THE ARCHITECTURAL BUREAU ARTFORMA

as an intern at the ARTFORMA architectural bureau (AD best 50 in Russia) in July-August 2023, I participated in the interior design of the apartment showrooms and the sales office of a residential complex developed by FSK (top-3 largest private construction companies in Russia)

I completed the following projects:

searched for information and images according to the specified parameters (utilizing google, pinterest, instagram and telegram)

compiled a register of Russian furniture manufacturers suitable for the project

created a table of furniture items selected by purpose, style, materials and color scheme

created collages using selected pieces of furniture and decor

compiled a brochure with collages and visualizations of the interiors of individual rooms of standardized apartments

the following applications were used to perform the tasks: Pages, Numbers, Excel

PROJECT I

interior visualization collage
living room

// style: modern, light //

PROJECT II

interior visualization collage
living room

// style: classical, dark //

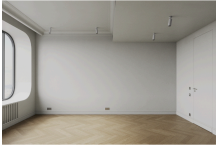

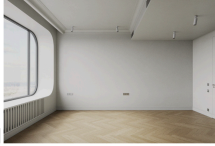

PROJECT III

furniture list for 3 standardized projects

register of furniture manufacturers

PROJECT IV

visualizations of distinct perspective
views of a standardized apartment
